Good morning,

I hope everyone had a pleasant holiday weekend.

I may have caused a bit of confusion when I sent the below email out last week. There is a meeting scheduled January 16th with the MLESA working group. The working group includes Contract Law, LASD executives, CCCA executives and 2 city managers from each patrol division. These are the only individuals who need to attend the meetings we hold monthly.

My intention in the below email was to provide everyone the opportunity to review the MLESA as we near finalization of the agreement. If you have concerns/questions, please relay them to your fellow city managers and/or CCCA executives who are part of the working group. They can bring your concerns/questions to the meetings where they can be addressed by the entire working group.

These are the members of the MLESA working group you can provide any concerns/questions to:

Marcel Rodarte

CCCA-Executive Director

Jorge Morales

CCCA-President, Executive Board

Michael Vuong

CCCA-Legislative Analyst

Gloria Molleda

Rosemead, East Patrol Division

Darrell George

Duarte, East Patrol Division

Reva Feldman

Malibu, North Patrol Division

Ken Striplin

Santa Clarita, North Patrol Division

Cecil Rhambo

Compton, Central Patrol Division

Jose Pulido

Cudahy, Central Patrol Division

Doug Willmore

Rancho Palos Verdes, South Patrol Division

Thaddeus McCormack

Lakewood, South Patrol Division

My apologies for any confusion that resulted from the previous email.

Respectfully,

Rudy

Subject: MLESA review

Good morning Everyone,

I'll start by thanking you for your input and patience as we work to finalize the MLESA for the next five years. I have attached the most recent version of the MLESA with LASD's recommended revisions based on the proposed language discussed in our prior meetings. Please review at your convenience so we can discuss any additional concerns at our next meeting on January 16, 2019.

I also included the following attachments:

Attachment A – SH-AD 575

Attachment B – Master Rate Sheet (Note: liability and annual rates will be updated.)

Attachment C- Equipment Use Agreement

Respectfully,

Rudy
